Health Insurance

Frequently Asked Questions

Q1: What is the objective of Staff Medical Insurance?

A: The main objective of the scheme is to provide financial assistance to Sri Lanka Telecom Mobitel employees for medical treatment obtained in respect of themselves and their immediate family units by way of direct settlements to hospitals under inpatient cover AND OR reimbursement of expenses incurred by them under OPD cover.

Q2: Who is entitled for benefits under Staff Medical Insurance?

A: The family unit consisting of insured, spouse and any number of children are entitled for benefit under the staff medical insurance.

Age limits:

- Children : 00 - 25 years (Children should be unmarried and unemployed)
- Adults : 18 - 70 years

Q3: How can an employee become eligible to claim from Staff Medical Insurance?

A: Cover will be granted for all existing employees / immediate family members from the date of inception of the policy period and new recruits / immediate family members will be covered from the date of enrolment to the scheme through Mobitel HR.

Employee has to forward the details of the new additions to the family (spouse or newborn babies) to HR division to be included as dependents in the insurance policy.

New Born babies are covered from the time of birth. To include, the staff member should submit the new member inclusion form to HR immediately after confinement. The name of the baby is not required at this point; however, the staff member should submit the birth certificate of the baby from 3 month of birthdate to update the name of the baby as a dependent.

- All inclusions submitted to Continental Insurance will be updated as per the email date.
- Inclusions will not be backdated under any reason.

Q4: When is the deadline & procedure for a member to include / remove a new member into the scheme?

A: If a staff member needs to include a new family member (New born / Spouse) into the scheme, it should be communicated to HR immediately with the new member inclusion form and the relevant correspondence such as marriage / birth certificate (If the spouse is also employed at Mobitel please inform HR through mentioning on the form)

New member inclusion form:
https://www.mobitelfamily.lk/hr/HR%20Document%20Center/New%20Member%20Registration%20Form.pdf

Inclusion would be effective from the date HR communicates to Continental Insurance with the relevant details. However, if it is an inclusion of a baby just the filled form is sufficient. OPD claims under the baby's name should be submitted only after the baby's Name is updated to Continental Insurance via Mobitel HR.

Deletions of members need to be notified to HR with the relevant correspondence (death certificate, etc.) as soon as possible.
