1. Purpose

This document outlines the policy on ex-Mobitel staff re-joining/ rehiring to the company. This is to ensure a common practice is laid out and to avoid re-joining of any ex-staff member who had been terminated or resigned as a merciful alternative to termination during the previous course of service or had left the organization to join a competitor.

2. Scope

1. The policy will be applicable for any ex-Mobitel (including staff deployed through Human Capital Solutions) candidates who would be subjected to the re-joining/ rehiring to Mobitel cadre irrespective of the level that they have held in the last employment with Mobitel.
2. All applicants beyond the Board approved mandatory retirement age (60 years) will not be considered for the re-joining/rehiring process.
3. Ex-Mobitel "part time staff" will not be covered under this policy except in a circumstance where the candidate has been subjected to a termination or resigned as a merciful alternative to termination during the previous course of service and will not be considered for rehiring/re-joining.

3. Guidelines

1. The recruitments for Mobitel cadre should always follow the established Recruitment procedure facilitated by Human Resources (HR) division.
2. The applications will only be considered given there is a vacancy and approved through the standard recruitment requisition process(RRF).
3. The candidates will only be considered for the process of screening only if he/she meets the approved job specification and if prior approval from the relevant HOD is given.
4. If an ex-Mobitel applicant has accepted voluntary separation benefits such applicants shall not be considered for rehiring/re-joining.
5. Ex-Mobitel staff who had been subjected to disciplinary termination, Vacation of post or resigned as a merciful alternative to termination or employees who have left the organization to join a competitor shall not be considered for rehiring/ re-joining.
6. Staff members at any capacity should not provide any assurance of the rehire under any circumstances.

7. Disclosure of false information during the recruitment process shall lead to disqualification or lead to disciplinary inquiry process if it is found post recruitment.
8. Candidates who use external sources for canvassing will be liable to get disqualified

4. Process

1. Approved opportunities shall be published internally/externally as appropriate giving the necessary specifications required to meet the job requirements.
2. All candidates shall follow the normal application process given in the published advertisement and no specific preference will be made for any form of channels to ensure the transparency and to attract the best suited talent into the organization.
3. Once the candidate is screened, HR will follow the standard selection procedures by calling for necessary interviews/ assessments as appropriate.
4. At the end of the selection procedures if a particular ex-mobitel employee is selected at the Final interview, CEOs approval should be obtained for such recruitments by way of signing off of a memo jointly raised by the HR and ex-HOD.
5. All potential candidates shall be routed through the "To be offered list" for necessary Management approval specifically indicating ex-Mobitel staff.

5. General

1. Any exception to the aforementioned policy shall be subjected to the approval of the Salary Revision Committee.
